THE RANGE OF OUR ADVICE AND FINANCIAL PLANNING OBJECTIVES

- 4 Your adviser is **independent** and acts on your behalf as your agent. Your Adviser is therefore able to provide unbiased unrestricted advice on retail investment products based on a comprehensive and fair analysis of the market. For mortgage advice your adviser provides independent mortgage advice.
- 5 We are permitted to give advice on retail investments, general insurance and mortgages and arrange transactions in these products. For retail investment products, this will include not just packaged products, but also structured products, all investment trusts and any other investments that offers exposure to underlying assets, but in a packaged form which modifies that exposure compared with direct holding in the financial asset.
- 6 In order to provide you with personal financial advice and recommendations suitable for your particular circumstances we will undertake a 'fact find' to gather the appropriate information to assess your needs. We will then be able to set out clearly your financial planning objectives based on your stated objectives, acceptable level of risk and any restrictions you wish to place on the type of policies you are willing to consider. Details of your stated objectives will be set out in a Suitability Report we will issue to you to confirm our recommendation. Unless confirmed in writing, to the contrary, we will assume that you do not wish to place any restrictions on the advice we give you.
- 7 You hereby acknowledge that in the event of the firm assisting you in the completion of any investment or insurance application or policy proposal forms that you will in any event continue to bear full responsibility for the accuracy and completeness of the information entered on such forms. Therefore you understand that inclusion of incorrect information or omission of any material facts may result in the insurance, investment or policy to which the application or proposal relates to

being adversely adjusted, made void and/or any claim(s) made against it being refused. The advice we give you will be based on the information you have given us and your stated investment objectives including the degree of risk you will accept. It is your responsibility to advise us on any changes.

- 8 We will forward to you all documents showing ownership of your investments/contracts as soon as practicable after we receive them. All such documents may be sent by post and this would be at your risk.
- 9 We will outline from the outset whether our advice will cover your entire financial planning needs or focus on specific areas giving consideration to any restriction you place on our advice.
- 10 We require our clients to give us instructions in writing, or we may confirm our understanding in writing (by post or by email) in order to avoid possible disputes. This will usually be in the form of a proposal or application form. We will, however, accept oral instructions in certain instances provided they are subsequently confirmed in writing.

CUSTOMER CLASSIFICATION

- 11 The type of client category will determine the levels of protection afforded to you under the Financial Services and Market Act 2000. The firm proposes to classify you in accordance with FCA rules as a **Retail Client** and the regulatory protection available to you will be the highest available. This agreement is personal to you and not assignable. We may accept instructions from and give information to third parties or your other advisers on your behalf where you have confirmed in writing we may do so. We cannot accept any responsibility for errors in information supplied by such persons. Where you are a trustee, director or officer of any trust, corporation or LLP requiring advice you warrant to us that you have full authority to act on behalf of the same and there are no restrictions on the limits of our advice of which we have not been made aware. We will not be responsible for advising on compliance with your trust, trustee, director or officer obligations.

THE COST OF OUR SERVICES

- 12 You will pay for our services by either a fee or a combination of fee and/or fee by payment facilitation through product charging. We will discuss your payment options with you and answer any questions you have. We will not charge you until we have agreed with you how we are to be paid. For payment options relating to investment advice, please refer to paragraph 13. For payment options relating to mortgage advice, please refer to paragraph 14. Value added tax may be payable on some or all of the work we do. We will inform you if VAT is applicable.

Investment and pension advice

- 13 When **paying by fee**, you will pay us for our advice and services (whether you buy a product or not) at an amount or a rate agreed before we commence any work. Our fees may include VAT. Where this is the case you will be informed and invoiced accordingly.

13.1 We provide fixed price quotations for work to be carried out based on an estimate of number of hours, based on an underlying hourly rate of £195. Indicative fees are shown below:

Service	Fee
Investment Advice	

Investment review, research, recommendation and implementation on amounts up to £200,000	£1,995
Investment review, research, recommendation and implementation on amounts over £200,000	1% of investment or pension value.
Pension Advice	
New pension review, research, recommendation and implementation	£1,995
Existing personal pension review, research, recommendation and implementation of transfer up to £200,000	£2,995
Annuity Advice	
Pension annuity review, recommendation and implementation on amounts up to £100,000	£1,995

For example:

An investment review, research, recommendation and implementation relating to a lump sum investment of £100,000 may cost £1995

An investment review, research, recommendation and implementation relating to a lump sum investment of £300,000 may cost £3000.

These fees are indicative only and in any event are subject to review annually on 31st December. In cases that we deem to be complex in nature, our fees may be higher than our stated rates. However we will always provide you with a breakdown of our estimated fee and agree this with you prior to undertaking any work.

Keeping up with your payments

If you fail to keep up repayments of the adviser charge we will terminate our relationship.

Your Payment Options

Settling your adviser charge through a single payment

You will be required to settle the payment of our fees on completion of our work in 14 days. We accept cheque or BACS payments. We do not accept payment by cash. You will be provided with a receipt upon payment.

Settling your adviser charge through provider facilitated remuneration

Your adviser fee can in certain circumstances be taken from your investment or pension and paid to us by the provider. Your adviser will make you aware if this option is available. However, please be aware that this could reduce the amount left for investment.

Pure Protection Products

13.2 If you buy a protection product you may elect that we are remunerated **by commission**. The commission is paid directly by the provider. Although you pay nothing up front that does not mean our service is free. The commission paid to us forms part of a 'product charge' which you pay when you purchase the product. Product charges pay for the product provider's own costs and any commission payable to third parties.

You may elect that we arrange for the protection premium to be discounted by the commission that otherwise might have been payable under the policy recommended. In this instance you will need to pay a fee appropriate to cover our advice and work, in accordance with paragraph 13.1 above.

The amount of commission we receive will vary depending on the type of policy and (sometimes) the term of the policy or your age, as in the following example:

If you were to pay £20 per month towards a £25,000 Critical Illness policy we would receive commission of 3% of the sum assured (£750) and 0.5% of the sum assured (roughly £125 every year).

Payment for Ongoing Services

13.3 Clients have the option of having an ongoing service plan. We can provide a range of ongoing services depending on your specific needs.

A typical service plan may include unlimited telephone support, quarterly investment or pension overview, a detailed annual review and recommendation of changes required and implementation of changes where appropriate.

The cost is dependent upon clients' individual circumstances, requirements and degree of complexity. A typical fee for the service outlined above is up to 1% of investments or pensions under management. This can be deducted from your investment or paid by bank transfer. This service can be cancelled at any time.

For example:

- 1) A service plan for an investment of £120,000 may cost £1,200 per annum.
- 2) A service plan for an investment of £200,000 may cost £2,000 per annum.

Mortgages

14 Our Fees for Mortgages Advice

In accordance with the regulatory requirements:

- 1) For providing standard mortgage advice our typical fee is £695 payable on production of mortgage offer. We will also be paid commission from the lender.
- 2) For providing mortgage advice in complex mortgage advice cases our typical fee is £995. We will also be paid commission from the lender.

Refund of fees

If we charge you a fee, and your mortgage does not go ahead, you will receive no refund of our fees.

- 15 For general insurance we do not charge a fee. We will receive commission from the product provider.
- 16 We may also receive commission or other form of benefit from working with the issuer of a security, a product provider or from another intermediary. We will inform you before the transaction if we are likely to receive such commission or form of benefit from recommending any product to you.
- 17 In respect of any regular premium policy which we may recommend, should you subsequently cease to pay premiums on the policy and as a result of your cancellation we are obliged to refund product charges or other commission that has been paid to us we reserve the right to charge you a fee representing the amount we have to repay, for a period of up to four years after commencement of the policy. We will not charge such fee if you exercise your right to cancel in accordance with the cancellation notice sent to you by the product provider.

CLIENT MONEY

- 18 For your additional security **we do not handle client's money**. We never accept a cheque made out to us (unless it is a cheque in settlement of our fees or other charges or disbursements for which we have sent you an invoice). We do not handle cash. Cheques for payment will be required to be paid direct to the insurance provider.

ACCOUNTING TO YOU

- 19 We will make arrangements for all your investments/contracts to be registered in your name unless you first instruct us otherwise in writing. You have a right to inspect copies of contract notes and entries in our records in relation to transactions on your behalf. In that request we reserve the right to give you copies of such documents rather than access to the original records.

We will forward to you all documents showing ownership of your policies as soon as practicable after we receive them. Where a number of documents relating to a series of transactions is involved, we will normally hold each document until the series is complete and then forward them to you.
